

For Immediate Release:

Jimmy John's to Open in downtown Huntsville on the Courthouse Square This Fall

Attention downtown Huntsville - Jimmy John's will be open to the public this fall on the first floor of 125 North Side Square, conveniently located near the Clinton Avenue parking garage.

Jimmy John's will deliver to all areas of downtown Huntsville, Twickenham, Old Town, and Five Points. Jimmy John's has a one-sandwich minimum for delivery, a fantastic amenity. Jimmy John's offers "Freaky-Fast" catering services and boxed lunches and regularly feeds 50 people with only an hour's notice.

Local owner Matt Kritzer exclaims, "Jimmy John's is more than just the fastest-growing chain in the country. We are locally owned and operated franchises and take pride in excellent service and hospital-clean stores. Between five locations, we plan on employing around 100 people and have a desire to serve the Huntsville community."

Developer Nicole Jones states, "Huntsville spoke, and we listened. For years, residents and commuters alike have requested a place to eat downtown that was affordable and that could produce great food in a timely fashion. Functional downtowns must be open seven days a week and have establishments that appeal to all demographics, and Jimmy John's certainly can accommodate this need."

Whether you are a nearby employee who needs a quick bite to eat, a family planning a picnic at Big Spring Park, or a resident who enjoys popular downtown events such as the Green Street Market or the Arts Stroll, Jimmy John's has a sandwich for you.

Jimmy John's Huntsville Downtown and Nicole Jones Development will host a Press Conference and Groundbreaking Ceremony on Friday 1 August at 2PM at the site - 125 North Side Square, Suite 100. The public and media are cordially invited to attend, and the event will be catered (while supplies last) by none other than... Jimmy John's!
